Adoptions from this past week!

Sara was adopted by Alexis Decker. The Decker family met Sara while they were volunteering at ARF and fell over heels in love with her. Sara is now living in Arnold, Maryland and sharing her home with a dog that was also adopted from ARF.

Wayne and Rebecca Pruitt saw **Biscuit's** picture on Petfinder.com and came to visit him. They not only fell in love with him but the name Biscuit because in 2010 they adopted a dog from ARF named Nabisco. They believed it was meant to be! Biscuit is now living in Centreville, Maryland and loving life!

ARF sent out a plea to find a foster home for **Tuko** but instead he found a permanent home. Susan Kowalski who adopted from ARF a few years back, received the email from ARF, she forward it to her friend Donna Hoffmann and that is all it took. Tuko is now living in Millersville, Maryland, sharing his home with multiple cats.

Pillsbury

Susan Miller was looking for a friend for her other dog named Dory and came across **Pillsbury** on Petfinder.com. Susan's daughter Emily has fostered for ARF, so she stopped by to meet Pillsbury. She instantly fell in love with him. Pillsbury is now living in Woodbine, Maryland, having a great time with his new friend Dory and two cats as well.

Roy

In November 2010, Beverly Gorman saw **Roy's** picture on Petfinder.com, immediately rushed over to ARF to meet him and instantly fell in love with this cute little guy. Roy is now living in Arnold, Maryland and sharing his new home with two other dogs, Chip and Luna and a cat named Joe

Partnering for Youth After School Program - Made to Trade

Made to Trade is an art-driven event to benefit local and global causes. There will be "Minute to Win It" activities and a bake sale as well as a student and professional art gallery.

Saturday, February 26th from 10am to 4pm at Queen Anne's County High School in Centreville, Maryland.

Our ARF friends will be visiting and introducing themselves to the Middle and Elementary School kids!

Our Sydney Is Looking For A New Loving Home!

This **intelligent** and **energetic** girl **has been trained** by our ARF dog trainer to lay down, roll over, sit, shake hands and participate in the dog obstacle course. She loves every minute of the exercise and interacting with the staff and volunteers. Sydney originally came to ARF from Baltimore City with her 3 small puppies. Her puppies have all been adopted and are now in good homes. Now it's **Miss Sydney's** turn to find her special forever home with a nice sized fenced yard to play. Due to Sydney's **large size**, puppy-like **playfulness** and **strong muscular build**, it would be preferred that she was in a household with **children over 5 years old**. Interesting observation - men seem to love Sydney and she loves them.

If you are interested in Miss Sydney, please contact the Animal Resource

Foundation (ARF) at 410-643-8700.

Emma Lou Had Her Pups!

Emma came to ARF from Queen Anne's County Animal Services. When she arrived she was expected to deliver her puppies at anytime and she did exactly that.

Emma gave birth to four beautiful puppies. Mama and puppies are doing well.

The puppies and mom will all be ready for adoption once the puppies reach 8 weeks of age.

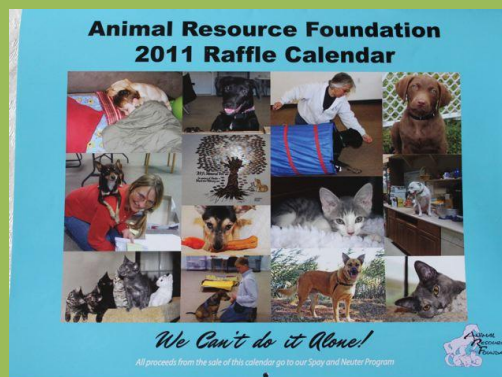

Emma Lou is just a pup herself, only about 1-2 years old and as sweet as can be.

She is a Chihuahua/Miniature Pinscher mix.

*"4 year old cat named
Asrael, arrival date March
2010. His Guardian dropped
him off because he was
moving and could not take
him. Asrael was devastated,
he just couldn't understand
why he was left behind"*

With kitten season right around the corner I knew his time would be limited so Asrael is now with ARF waiting for his forever home. He is so sweet and loving! If you are considering adding a new family member to your life, then he is definitely worth coming to meet. He will do well with children, dogs and cats too. I promise you will fall in love!
