Adoptions from this past week!

The Taylor family adopted both Blu and Onyx. They moved to their new home in October. This adoption was extra special since these two cats are siblings and have never been apart from each other. It is nice to know they will be together for the rest of their lives. Blu and Onyx are sharing their new home with a dog named Charlie.

Carlos

Carlos was adopted by Janis Bardi and Sharon Radomski. They saw his picture on Petfinder.com, came to visit and immediately knew that Carlos was the perfect fit for them and their family. He is now living in Rehoboth Beach and sharing his new home with another dog named Olivia and a cat named Merlin.

Carlos brother **Pedro** also went home and he is now living in Stevensville. The Bagby family came to visit ARF and met Pedro and decided to make him a member of their family. Pedro is sharing his new home with two cats, Mr. Beans (adopted from ARF) and Pepper, and a dog named Logan.

Linda Goss of Stevensville adopted a couple of cats, Sebastian and Simon from ARF in 2005. Unfortunately they did lose Simon to illness this year. Sebastian seemed so lonely without Simon so Linda came back to ARF to visit with the cats and met Sherlock. **Sherlock** and Sebastian became instant friends. Needless to say anything more except Sherlock is loving his new life with the Goss family.

Adoption Updates!

Lilac is doing very well and races around the house with the other 3 kitties. She is in such a good home. "Her personality is so unique and cool."

WELCOME HOME PREMO!

Premo (Pancho) was adopted September 18th. He has been such a well mannered pup and has adjusted to his new family and new home SO well. He walks so amazingly on a leash (thank you Patty) and he has learned paw and stay in a very short amount of time. He is VERY smart and although he is chewing on everything, obviously teething badly, he has been a wonderful addition to our family. He absolutely loves going to Truxtun Park to run and Quiet Waters park to play with the other dogs at the dog park.

Daisy is definitely settled in! Just this week, she and 3-year-old son of Olander Family decided to accept each other and cuddle together on the couch. Daisy's follow-up heart worm test has come back clear and she has made a number of neighborhood doggie friends that she loves to run and wrestle with.
