Adoptions from this past week!

Ashton Harrington was on her way home from the Ocean last weekend when she decided to stop by ARF's Adoption Center. She went into the second cat room and met Chevy. She knew Chevy would be perfect for her. Chevy is now living in Towson, Maryland and will be sharing his home with one other cat.

Ford just moved to his new home today. He now living in Stevensville, Maryland with Teresa Godwin. Teresa volunteers for ARF each week and during one of her visits she met Ford. She immediately fell in love with him and has added him to her family. Ford will be the only kitty in his new home.

Supplies and Donations

We need financial donations for our website and for the animals!

We are also in need of bleach and dryer sheets.

We are currently in desperate need of a working vacuum cleaner! Both of ours stopped working. If you have a vacuum to donate we would be so appreciative!

June is Adopt a Shelter Cat Month

Starting this week, and running all month long, it's Adopt-A-Shelter-Cat month. Many rescue groups locally and nationwide will be having specials and discounts on cat adoption fees during the month of June. So if you were looking to adopt a cat, or a sibling for your current feline, now is the time.

Not only is the discount nice, the timing is good, too. Spring is generally the time cats have their litters, so many shelters and rescue groups are crowded with kittens.

ARF's Discounts:

Black Light Special: Any black adult cat - adoption fee \$25.00

Other Adult cats - Adoption Fee \$50.00

All Kittens - Adoption Fee \$75.00

All Cats and kittens - Up-to-date on shots, FeLV/FIV tested (-), micro-chipped, Litter Box trained and on Flea preventative.

Adoption Updates!

We are so glad to have Jellybean in our home. She is a part of our family and it is like she has always been with us. Thanks for all you do to rescue animals and find them loving homes.

Love,
Gene, Tammy, Jack, Oscar and Ber Wesolowski

She ran 3.2 miles with me yesterday! She is my perfect match!

Hello!

I have attached pics of "Toby", we ended up calling him Buddy. We are enjoying him thoroughly, he is a smart boy and has fit in well. He loves to cuddle, play & give kisses. He is already sleeping in our beds and has proven trust worthy in a very short time! He loves playing with his new four legged companion Lucy. They get along very well. I will send the family pic as soon as I find my camera cord to upload. Thanks!
