Adoptions from this past week!

Brennon moved to his new home on Saturday, last week. Melanie Groves from New Jersey came to meet him and knew he would be perfect for her home and lifestyle. Brennon will be enjoying many of the close by dog parks and also a doggy beach.

Cody was adopted by the Stevens family. He is now living in Leesburg, VA and will be sharing his new life with another dog named Duke. Cody seemed very comfortable the day he arrived to his new home and had a grin on his face as he explored his beautiful back yard and lovely new home.

Karen Ostrowski in 2009 adopted an ARF dog named Peaceful, now named Buddy. Since then Karen spends a lot of her spare time coming to ARF to help train the dogs and while doing this she met Libby. Need I say more. Libby is now one happy pup living with the Ostrowski family!

The McLamb adopted Ichabod! This wonderful family took on the chore of bottle feeding 5 kittens when they were only about 1-2 weeks old. With the splendid love and care that they received all 5 kittens thrived and are now 8-9 weeks old. Ichabod was the lucky kitty out of this litter that will be living with the McLamb for the rest of his life. Not only did this caring family raise these kittens they also found loving homes for each of them.

Iris is now living with the Garvey family, Inez adopted by the DiPhilippo family and the Getek family adopted Isabel. Each family lives in Grasonville. Hopefully they can all have play dates with their kittens.

Susan and Wayne Beall recently hosted an informational field trip for 6th graders from Stevensville Middle School! The children brought so many needed supplies for the animals and learned a lot! It was a very special day for everyone!

June is Adopt a Shelter Cat Month

Starting this week, and running all month long, it's Adopt-A-Shelter-Cat month. Many rescue groups locally and nationwide will be having specials and discounts on cat adoption fees during the month of June. So if you were looking to adopt a cat, or a sibling for your current feline, now is the time.

Not only is the discount nice, the timing is good, too. Spring is generally the time cats have their litters, so many shelters and rescue groups are crowded with kittens.

Adoption Updates!

Hello Arf Staff,

Well, it's been a year since we adopted an energetic black lab puppy named Oscar. Oscar is doing well and having so much fun! We've attached a "then" and "now" picture of Oscar. He is still a playful puppy and the only 60 lbs. "lap dog" that I know! Thank you all for bringing Oscar into our lives, he brings such a joy to us each and every day.
