DOG/PUPPY NEWS

Meet Mallory and Trent. They are about 14 weeks old and we believe they are a mix of Chow and Lab. They are currently living at our Adoption Center having a great time. They are in quarantine until the middle of next week and will soon be spayed and neutered.

Left to right, meet Jada, Rajah and Taj. They are about 14 weeks old and are currently living at our center until their forever home comes along. If you look closely at Rajah (middle) you will see he has 6 toes on both front paws. All three have already been spayed and neutered and are micro chipped.

Sunflower's kittens are growing up so fast. They will be 8 weeks next Saturday and will be ready to look for their new homes. If you are considering adding a kitten to your family please stop by to meet these beautiful sweethearts.

ADOPTION NEWS

Checkers moved to her wonderful new home last Friday evening. She is now living in Queenstown, Maryland with two dogs. Nicole said Checkers was very confident walking into her new home and showed the dogs immediately who will now be running the household. We already heard from Checkers new guardian and were told Checkers is doing very well and how much she adores her already.

Penny also moved to her new home last weekend. She is now living in Pasadena, Maryland. Penny's new Guardian called to let us know how wonderful she is doing and how she is spoiled rotten already. She also said she will be stopping by our center with her so we can see how happy she is.
