ADOPTION NEWS

Breezy moved to her new home last Friday evening. Nicole from Stevensville, Maryland fell in love with **Breezy** when she was only 6 weeks old. Nicole came often to ARF's Adoption Center to visit and two weeks later adopted her. **Breezy** is sharing her home with one other cat.

Prince Williams is now living in McLean, VA. Susan Hals found his picture and bio on Pet Finder and came to meet him a couple of weeks ago. She immediately fell in love with him and waited anxiously for him to come home with her. Susan and Wayne delivered **Prince William** to his new home last Saturday evening. He appeared to be very comfortable and pleased with his new home and family.

Chris from MA saw **Lenny's** bio and picture on Pet Finder, immediately turned in an adoption application then drove all the way to come meet him. It was love at first sight. A week later Wayne and Lady (ARF's dog) drove **Lenny** to his new home. A 12-hour road trip! Wayne says he doesn't mind. He will always do whatever it takes to put these once homeless animals into a new loving forever home.

NEW FOSTER FAMILIES

Ben is now living in a foster home. ARF thanks Joanne and her family for giving **Ben** a temporary home until he finds a new home of his own. Joanne says they are having so much fun with **Ben** and he is doing great and getting along well with their two other cats.

ARF also wants to thank Pat and Patrick McAllister for taking **Lady** into their home even though we thought that she might do better in a home without cats. The McAllister's wanted to give **Lady** a chance and try and work through the problems that she may have. Pat has given me an update daily on **Lady's** progress and the word is, "things are going well." The volunteers, Board members and staff of ARF are crossing their fingers that **Lady** will continue doing well as Pat and Patrick would eventually like to give her a permanent home and believe me she could never find a better home than this one. We will keep everyone informed of **Lady's** progress.
