ADOPTION NEWS

Dear Susan,

Patrick and I have had **Lady** with us for four weeks now. She seems very happy here and quite settled in our pack.

We, of course - have become very attached to her.

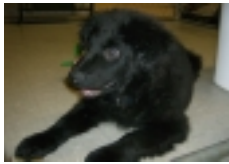

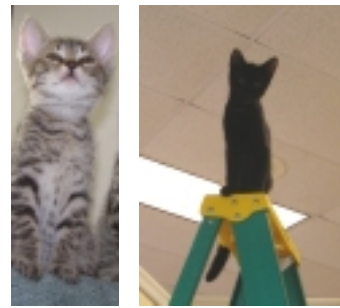

Although she and the cats are still a bit cautious with each other, there hasn't been any kind of incident for quite a while and whatever underlying issues she may still have, we feel that we can deal with them and would like to make her a permanent member of the family.

What steps do we need to take to go from foster family to permanent home?

Warmly, Patricia McAllister

On July 6th **Mickey** and **Lilly** were lucky enough to move to a wonderful new home together. They are now living with the Craig family in Harrington, Delaware.

Susan received a phone call just the other day telling her how much the family loves and are enjoying **Mickey** and **Lilly**.

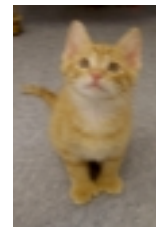

Mallory moved to her new home on July 7th and is now living in Stevensville, Maryland. The Eller family fell in love with her when they came to visit ARF's Adoption Center after the fireworks on July 5th. **Mallory** is now living with another dog, named Leah.

Last weekend the Wilson family came to visit ARF's cats at the Adoption Center and they immediately fell in love with **Anna**. Susan delivered her to her new home on Tuesday and she is now living in Grasonville, Maryland. Before Susan left she watched as **Anna** was having so much fun exploring her new home.

The Kopecky family saw **Daisy** on our last Update and knew she would be the perfect kitty for their family. They came to visit her and they were right. Her sweet little personality was the perfect fit for them. **Daisy** is now living in Annapolis, Maryland and is sharing her new home with a pup named Addison who was also adopted from ARF.

Rajah was also another happy kitten this week. He moved to his new home just last evening. He is now living in Chester, Maryland with a very lovely couple, Justin and Nicole Fuller.

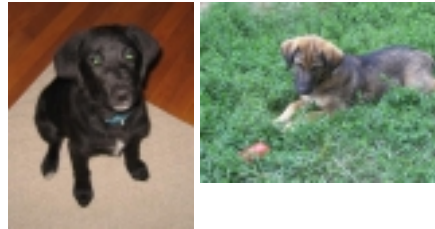

CAT/KITTEN NEWS

This is **Sunflower**. She is the mother of Daisy, Lilly, Ranger, Oscar, Tahoe and Chester. She is a beautiful black cat with huge yellow eyes. When ARF first rescued her, she was so skinny and just did not have the desire to eat. After a couple of vet visits and giving her antibiotics she still wasn't feeling up to par. All the volunteers and staff at ARF would hand feed her wet food mixed with Rebound. She gained some weight but still it wasn't enough. Once the kittens were weaned we again took her to the vet for a complete physical. Dr. Peck from the Eastern Shore Animal Hospital thought it best to spay her and at the same time see if there was some other medical problem. Well we are happy to report she is now feeling good and is soooo happy. **Sunflower** had a uterus infection. There is no slowing her down from eating anymore, she has put on weight and is having a great time running around the center.

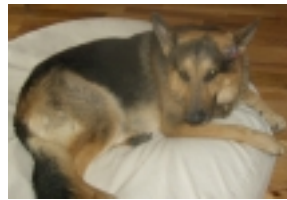

DOG/PUPPY NEWS

Lauren and **Dudley** came from the Caroline County Humane Society. They are about 14 weeks old, up-to-date on shots, spayed, neutered and micro-chipped. For as young as they are they are very well behaved and laid back.

The pup's mom, **Mia** (picture not available) also was rescued from CCHS and already has an adoption pending. She is a Lab/Beagle mix.

ROCKY'S STORY

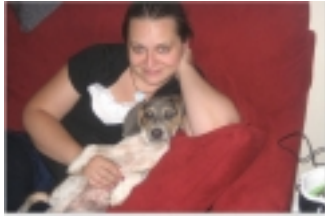

Two weeks ago on a Monday morning Susan received a phone call from a dedicated member and supporter of ARF. He told Susan about a German Shepherd named **Rocky** that was living at a shelter in New Jersey. He told us time was about to run out for this handsome guy. There was not a rescue group in the area that could take him. **Rocky** was suffering from heartworms and a large tumor (benign) that was growing on the left side of his head.

Susan immediately contacted the New Jersey Shelter and arranged for **Rocky** to be transported to ARF. He arrived Sunday night.

This week **Rocky** has already received two injections for the heartworms and is living comfortably in a foster home. He will be in recovery for 4 weeks. Once recovery is over he is scheduled to be neutered and have the tumor removed.

If anyone is interested in contributing to **Rocky's** medical expense please contact ARF, or send your donation to: ARF, P.O. Box 396, Chester, MD 21619

NOTES FROM MEMBERS

Hello!!

Just updating you on **Bunny** and **Slate** (we have renamed them Maui and Kona). You will be happy to know that they are THRIVING!! I've never seen 2 puppies with so much energy!! They run and race in the back yard every chance they get. They seem to have 2 speeds, fast forward, and stop. We can tell they are very happy to be back together. Maui (Bunny) is still a bit shy, but we are working on that. Kona (Slate) is the loverboy. He loves people and other dogs alike. But have no fear that Maui gets picked on, she holds her own with Kona. So far they can "Sit", but we are still working on "Stay"..... When they arrived to us we were told they were picky eaters. Well, I think they may have been talking about different puppies, because they will chow down on just about anything we put in front of them! I think it's all the running and racing. We love them like crazy, and are so happy that they have joined our family!!! Take Care, Cathy Rutkowski

A VERY SPECIAL THANK YOU

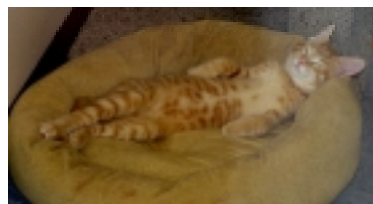

A very special thank you to Ray Fowler and the Boy Scouts of Troop 765 for the many, many items donated to ARF. The Scouts set up a table in front of Safeway and Kmart on Saturday June 23rd and 30th from 10 am to 2 pm accepting donations for ARF. They also collected over \$600.00. ARF is such a success because of the dedication and support of our community. The staff, volunteers and the animals of ARF thank you so much!

QUOTE OF THE WEEK

"Save them one at a time, love them all, mourn those that we cannot reach, and rejoice that we have been given this special gift of love to serve the animals that we hold so dear". -- Terry Murphy
