ADOPTION NEWS

Bruce went home! The Jone's family met **Bruce** a couple of weeks ago while visiting the Arts Council Event in Centreville. Still not sure if he would be a good fit for them they met with Patty and **Bruce** a couple more times at ARF's Adoption Center. After the second visit they decided they would love to give me a try. Susan delivered him to his new home on Monday. Patty received word that he is doing well and everyone loves him dearly.

The Kuhn family came to visit **Jack** at the 4-H Park during the Chesterwye event. **Jack** must of known this family was the right one for him as he put his best paw forward by showing them all the behaviors he just recently learned like sit, down and paw. He also walked very well on his leash as the family took turns walking him around the 4-H park grounds. Jack moved to his new home last Friday and is now living in Chester. He also is attending ARF's dog training class on Saturdays.

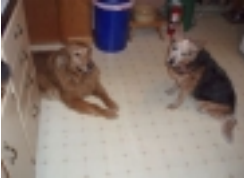

Remember **Muddy Bear**? His last family was going to have him euthanized due to scratching their young daughter's face. ARF was notified and took him in. He was treated for heartworms and lymes disease and has been living with Rick & Lynn Hirschauer as a foster. Well, ARF was just notified that the Hirschauer family will be adopting **Muddy Bear**. Way to go **Muddy Bear**, you couldn't of found a better family than this one. Stay happy, you deserve it!

Bunny and **Slate** moved to their new family together last Sunday. **Bunny** was always a little shy and depended on her brother **Slate** to protect her so ARF's volunteers, staff and Board members were so happy when the Ruthkowski's decided to adopt both of them. They are now living in Riva, Maryland.

LADY'S UPDATE

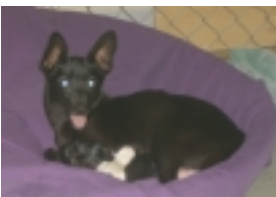

Here's a picture of TAZ and **Lady** in the kitchen. Everyone seems relaxed and happy and **Lady** has totally been ignoring the cats. We're keeping our fingers crossed for continued "harmony".

DOG/PUPPY NEWS

Late one evening last week ARF received an emergency call from Caroline County asking for our help. They had just removed 10 dogs from a bad situation and one of the dogs was pregnant about to give birth. Immediately Susan and Lauren drove to Caroline Co. and brought back Billie.

Knowing very well she would be delivering her puppies any day and time, everyone at ARF hovered over Billie day and night to be sure she would be alright. To the right you will see Lauren, Billie and Billie's sister, Bay-bee-too taking a nap while waiting for Billie to give birth

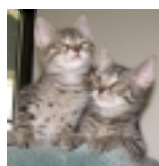

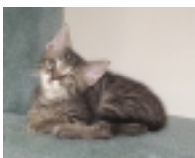

Three days later Billie gave birth to 6 beautiful puppies, 1 female and the rest males. Billie and her sister are Schipperke mixes. We believe they are mixed with Chihuahua. They will be ready for adoption on August 25th.

Billie's sister Bay-bee-too (photo not available) has been spayed is up-to-date on her shots. She tested positive for heartworms and will soon go through treatment. If anyone is interested in meeting her please contact ARF.

Bonnie was just recently returned to ARF. She was adopted to a family when she was only about 10 weeks old. Bonnie is now about 8 months old. She is an Australian Cattle dog mix with a whole lot of energy. She is very, very sweet and intelligent. Bonnie would do best with an active family. Someone that has time for her and could give her a job. She would be great at agility or maybe you could even train her to be a Frisbee dog. Bonnie is up-to-date on her shots and soon to be spayed.

KITTENS/CAT NEWS

If you are planning to add a kitten or two to your family, be sure to stop by and meet Daisy, Chester, Oscar, Tahoe and Ranger They are 10 weeks old, spayed, neutered and up-to-date on their shots.

NOTES FROM MEMBERS

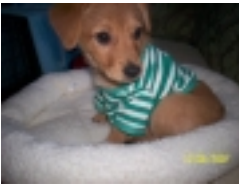

Hi guys. This is Heather Lamont. My boyfriend and I adopted Walton (Khalil) from you in March. I was wondering if there was anyway you would be able to give me contact information to reach the person who adopted his sister Sandy. I was told they lived near us and I was thinking it might be nice if we could get them together. Our vet said it would be a great idea.

Let me know and thanks so so much! Have a great day.

By the way Khalil is doing great. I just didn't imagine I could love something so much. He is such a little love. Here's a new pic. Thanks so much Heather Lamont

Hi Susan,

Thanks for the email. I will contact them and see if we can have a play date. By the way, here is an updated picture of Molly (aka Sandy). Thanks again for everything. Bettina

Hi Susan, Thank you so much for letting me adopt Penny. She has been a joy for not only me, but for my neighbors, a small dog named Precious, (Jenny Lynn's new play mate), and an Assisted Living facility we go to visit. Jenny is definitely what I needed to fill Jessie's booties. She is more than I could ever ask for. I think she was a match made in

heaven. I bet my Jessie put us together from Heaven's Gate.

I kept calling Penny, Jessie, (the dog I just lost to cancer). So I thought if I changed Penny's name to Jenny Lynn, it would make the transition easier. And it has.

I will come down next week some time to donate some things of Jessie's, that will be too large for Jenny to use. And also, pay you for the micro chipping.

Best Regards,
Sandy Schwind

Hello, I wanted to check in and let you know that everything is going really well with **Casey/Lloyd**. He has settled in and I think he knows he's here to stay. He has picked up many tricks quickly (shaking of paw, sit, lay down, ring the bell on the door to go out) and he loves to swim. I took him to my parents' last weekend who have a stream and he dove right in! I swear he must be part Lab. He is a naughty little thing at times (it has been a long time since I had a puppy!) but he is very popular in the neighborhood and loves kids. He's fantastic, and huge! His adult teeth have come in and he looks as though he needs to double his weight to grow into them! Right now he weighs about 33 lbs (he was 28 when we adopted him). I hope you are well. Jennifer
